FOREST FIRE MANAGEMENT POLICY

INTERGLOBAL EMPIRE SDN. BHD. (INTERGLOBAL EMPIRE) recognises that forest fire is a risk to the lives of employees and members of the public who visit the Entulu – Melatai FMU. The FMU Operator must therefore ensure that forest fire safety is a priority in managing the Entulu – Melatai FMU.

INTERGLOBAL EMPIRE is therefore committed to:

1. Comply with Criterion 6.5, Indicator 6.5.5 of Principle 6, revised Malaysian Criteria and Indicators for Sustainable Forest Management (MC&I SFM 1/2020).
2. Comply with government policy in governing the management of forest resource.
3. Comply with statutory requirements.
4. Instill awareness about forest fire to all stakeholders and employees.
5. Instill close cooperation with neighbouring FMU operators, landowners and other stakeholders in the management of forest fire.
6. Carry out continuous research and refinement of forest fire controlling technique and management.
7. Formulate practical forest fire action plan for the FMU.
8. Train adequate personnel to handle forest fire.
9. Prevent accidents and work related ill health caused by forest fire.
10. Assess and control the risks that arise from our work activities.
11. Provide a safe and healthy working and learning environment.
12. Ensure safe working methods and providing safe working equipment.
13. Provide effective information, instruction and training in forest fire control and management.
14. Monitor and review our systems and prevention measures to ensure their effectiveness from time to time.
15. Ensure adequate resources are made available in reasonably practicable approach to address health and safety issues in forest fire management.
